Title IV-E Yearly Reports

INTRODUCTION and PURPOSE:

The MidSOUTH Training Academy Year End Report is an internal document completed at the end of each fiscal year. The report summarizes MidSOUTH's Title IV-E training information related to training provided under the IV-E contract with the Division of Children and Family Services (DCFS). Training data was provided to DCFS on a nightly basis throughout SFY 2013. In addition, the data was reported to DCFS on a quarterly basis and at year's end. Quarterly reports were submitted to DCFS Area Directors and DCFS Program and Development Unit (DCFS-PDU). The MidSOUTH Training Academy report pulls that information together into one document, to facilitate program planning and evaluation within the organization.

The MidSOUTH Training Academy Year End Report also captures the contact information relating to activities performed by MidSOUTH staff to fulfill contract deliverables. This information is compiled from the contact logs submitted by staff (which are internal documents not required by the contract).
