

Do you want to bring evidence-based substance use prevention programming designed specifically for Arkansas's youth to *your* school or community?

Join the All Stars in Arkansas Pilot Program!

Available for Summer 2025, Fall 2025, and Winter/Spring 2026

All Stars Character Education is a set of activity-based lessons for **4th and 5th graders** that targets risky behaviors like bullying, name calling, lying, teasing and stealing.

All Stars Core is a series of nine 45-minute lessons designed to help **6th and 7th graders** build future-oriented thinking, understand positive norms around risky behaviors, and promote positive relationships with peers, teachers, and parents.

All Stars Senior is a 90-minute hybrid program for **high school students** that teaches skills for healthy self-regulation and risk resistance.

Curriculum, teacher training, and student materials are all available for **free** while supplies last through **January 2026!**

Pilot participants will actively shape the final curriculum by providing feedback.

Interested? Please fill out the training request form by scanning the QR code.
